# PARTH SANJAYBHAI TALPADA

**B.Pharm Undergraduate | AI & Digital Operations Intern | AI-Assisted Web Solutions Builder**

Kheda, Gujarat, India • +91 9054826042 • talpadaparth1@gmail.com
Portfolio: parthtech.dev • GitHub: github.com/talpadaparths • LinkedIn: linkedin.com/in/parth-s-talpada

## PROFESSIONAL SUMMARY

Third-year Bachelor of Pharmacy student at Sardar Patel College of Pharmacy (GTU) with hands-on experience in digital operations, AI-assisted workflows, web solution development, and multimedia production. Built and deployed personal, campus, and client-facing digital projects; contributed to a Pharm.D professional portfolio website and earned three first-prize awards across pharmacy competitions and a scientific conference. Interested in applying technology to pharmaceutical, healthcare, and operational workflows.

## WORK EXPERIENCE

**AI & Digital Operations Intern | Kalpene Global Private Limited** | *Sep 2026 – Present*

- Create promotional flyers, presentation decks, and social graphics; edit audio/video content for training and outreach programmes.
- Apply AI tools to streamline routine operational tasks, manage Google Workspace files, and coordinate live technical sessions for webinars.

**Technical Operations Intern | Kalpene Global Private Limited** | *Dec 2025 – Sep 2026*

- Managed domain integration and configured the organisation's custom-domain email network using Zoho Mail.
- Produced corporate flyers and presentation decks and supported the company's official LinkedIn and social media channels.

## FREELANCE & CLIENT WORK

**Elavarasan S R — Pharm.D & Clinical Research Portfolio (Nov 2026) —** Designed and deployed a responsive professional portfolio website for a Pharm.D candidate at TN Dr. M.G.R. Medical University / GEMCH, Tamil Nadu. Built with HTML5 and Tailwind CSS and deployed through GitHub Pages. Live: eelavarasan960-ai.github.io/elavarasan-portfolio/.

*Client endorsement (LinkedIn recommendation, 5 Nov 2026): "Parth built my Pharm.D & Clinical Research portfolio website with great speed and attention to detail. Really happy with the final design—highly recommend him to anyone looking for a custom portfolio website!"*

## SELECTED TECHNICAL PROJECTS

**Personal Portfolio Website — parthtech.dev —** Conceptualised, structured, and deployed a responsive portfolio using HTML5, Tailwind CSS, and GitHub to present academic work, technical projects, and credentials.

**College Attendance Portal —** Built a functional digital attendance portal with a Supabase backend to reduce manual attendance paperwork for students and faculty; currently under college management review.

**Senior Research Project — Technical Execution —** Collaborated with 8th-semester B.Pharm seniors during the 4th semester, supporting the technical execution and digital implementation of their academic research project.

**OptiTool AI —** Developed an AI software recommendation tool using AI-assisted React/Tailwind development, Gemini, and Google Search grounding.

**Prompt Enhancer —** Built an AI-assisted prompt refinement tool using Gemini and the CO-STAR framework, with model-specific prompt optimisation.

**RxPulse Pharma App / RxPulse Eco-Wash —** Concept-stage initiatives: a digital patient–pharmacist communication application and a sustainable hygiene-products startup concept.

## KEY ACHIEVEMENTS & AWARDS

- 1st Prize — INDO-US International Conference (3 Feb 2026): Scientific poster presentation on Nanotechnology and Drug Design; organised by Sardar Patel College of Pharmacy and the Association of Pharmacy Professionals (APP).
